

BioClean™ DB Sterile Pouch-style Face Mask with Neck Guard BDBS-G

M E D I C A L F A C E M A S K S

Sterile, pouch-style face mask with extra-long neck guard, for additional coverage

- **Specialized protection:** The BioClean™ DB Sterile Pouch-style Face Mask with Neck Guard BDBS-G boasts very high bacterial and particle filtration efficiency
- **Enhanced comfort:** This sterile face mask features a large breathing chamber for increased wearer comfort, with a malleable noseband for a flexible and comfortable fit
- **Reduced risks:** The integrated, extra-long neck guard provides additional coverage and reduces risks of cross contamination in a cleanroom environment

KEY FEATURES & BENEFITS

- **High filtration efficiency:** For protection from bacteria and particles
- **Large breathing chamber:** For increased wearer comfort
- **Integrated neck guard:** Aids in minimizing the risk of contamination

RECOMMENDED FOR

- Animal care feeding and cleanup
- Adjusting parts and systems
- Food processing and handling
- Aseptic filling and labelling

BioClean™
